Make the most of this Opportunity

The Indian Food and Drink industry is one of the fastest growing industry sectors in India and is expected to grow at an encouraging pace of ~20% over the next five years.

Investments are being made by various Indian and multinational companies to boost sales and build market share in this fast growing industry. Such investments and growing need for technology upgradation are creating enormous sales opportunities for suppliers to the food and drink industry.

We invite you to the 11th edition of India's biggest and most sought after trade fair for food and drink processing industry - International FoodTec India which will take place during September 22-24, 2016 in Mumbai.

The Trade Fair

Choose the right Platform to Meet Your Customers

The success of the previous 10 editions demonstrates the leadership of International FoodTec India as *"the platform"* in India for the food and drink industry. The industry meets at this show to exchange new developments and showcase the future of the food and drink industry in India.

Over the years this exhibition has become the important sourcing platform not only for Indian companies but for neighboring countries like Srilanka, Nepal, Bangladesh, Myanmar & also for UAE.

At International FoodTec India 2016, the complete range of the industry requirements will be displayed and supplemented by its segments Sweet 'n' SnackTec India and Dairy Universe India along with concurrent events PackEx India, Food Logistics India and Annapoorna - World of Food India which are dedicated to the sweet & snack processing, dairy industry, packaging, food logistics 'n' warehousing and finished food industry respectively.

Concurrent Seminars

Industry focused seminars will be organised by respective industry associations during first two days of the exhibition.
